Board Approval for “Be the Elephant”: Preventing Sexual Harassment and Abuse of Students by Education Personnel.

**Commissioner’s Recommendation:**
The Education Professional Standards Board should approve the proposed course as training for educators with cases before the Board.

**Rationale:**
Staff has reviewed the training and has found that the course will address the needs of educators referred for specific training. While the Board has other pre-approved trainings that cover educator ethics and professional boundaries, this is the first training proposal that covers preventing sexual harassment and abuse of students by educators in an in person setting. Enclosed under separate cover is a detailed description and outline for the course, as well as information on the course developer. Additional information can be found at the following website: https://www.gelainewr.com/resources.

**Action Question:**
Should the Education Professional Standards Board approve the in person course “Be the Elephant”: Preventing Sexual Harassment and Abuse of Students by Education Personnel as training for individuals with cases before the Board?

**Applicable Statute or Regulation:**
KRS 161.028, KRS 161.120

**History/Background:**

**Existing Policy:** Pursuant to its authority under KRS 161.120(1), the Board “may impose probationary or supervisory conditions upon…any certificates” issued by the Board. The Board has used this authority to require educators, through an Agreed or Final Order, to attend specific training to address the alleged misconduct and prevent any further incidents. The Board’s Procedures Relating to Action on an Educator’s Certification, Section III: Board Action on Complaints or Reports includes a Deferral for Training option, which allows an educator the opportunity to complete a recommended training and submit written proof to the Board for a dismissal of his/her case.

**Summary:** The Board currently has five pre-approved providers offering sixty different trainings; however, there is not a current pre-approved training focused specifically on preventing sexual harassment and abuse of students by education personnel.

**Budget Impact:** There is no budgetary impact.

Waiver of Student Teacher Placement for Alexis Gamblin

Commissioner’s Recommendation:
The Education Professional Standards Board should approve the alternative waiver request.

Rationale:
There are very few, if any, certified foreign language teachers in elementary schools. Therefore, Western Kentucky University was unable to find an elementary school placement for Ms. Gamblin’s student teaching. However, efforts have been made to assure that the candidate will receive exposure to elementary instruction.

Action Question:
Should the Education Professional Standards Board (EPSB) approve the waiver of student teacher placement for Alexis Gamblin, and allow her to complete a 70-day placement in a high school setting?

Applicable Statute or Regulation:
KRS 161.028, KRS 161.030, 16 KAR 5:040

History/Background:

Existing Policy: Candidates pursuing a primary through grade 12 certificate shall have their student teaching balanced between an elementary school placement and middle school or high school placement. Institutions unable to locate a placement aligned with grade level requirements shall submit an alternative placement request to EPSB staff. EPSB staff may pre-approve the alternative placement request. If approved, the request will be placed on the consent agenda for Board action.

Summary: Western Kentucky University has requested that their teacher candidate, Alexis Gamblin, complete her 70 days of student teaching in the high school setting. She will receive exposure to foreign language in an elementary setting prior to and during her student teaching experience. The Cooperating Teacher selected has prior experience with elementary students.

Budget Impact: There is no budgetary impact.

Groups Consulted and Brief Summary of Responses:
Three staff members from the Division of Educator Preparation, Assessment and Internship (Cathy Jackson, Allison Bell, and Brandon Harrod) met to review the Alternative Placement Request for Alexis Gamblin from Western Kentucky University and the supporting documents.
Because of the efforts of WKU to assure that their candidate will receive exposure to elementary instruction, the group supports the Alternative Waiver Request for this student.

New Regulation: Professional Certificates for Advanced Educational Leadership, Notice of Intent

Rationale:
The regulatory updates based on the recommendations from the stakeholders will streamline the regulations for Advanced Educational Leaders and implement the national standards that articulate the knowledge and skills expected of school leaders.

Applicable Statute or Regulation:

History/Background:

Existing Policy: The requirements for administrative preparation and certification are currently divided among five regulations: 16 KAR 3:010, 16 KAR 3:020, 16 KAR 3:030, 16 KAR 3:040, and 16 KAR 3:050. In August 2016, the EPSB became a partner with Western Kentucky University and the Green River Regional Educational Cooperative through a Wallace Foundation Grant for improving principal preparation. The University Principal Preparation Initiative (UPPI) Grant focused on updating state policy and practice related to effective principal preparation. The UPPI stakeholder group brought together all related organizations for principal development, preparation, and professional training to review the regulation on principal preparation, as well as other educational leadership regulations. At the February 12, 2018 meeting, at the recommendation of the UPPI stakeholders, the Board approved the adoption of the Professional Standards for Educational Leaders as the updated standards for all educational leadership preparation programs in Kentucky. These national standards articulate the knowledge and skills expected of school leaders.

Summary: The full recommendations from the UPPI stakeholder group were approved by the Board at the August 20, 2018 meeting. The proposed regulation incorporates the recommendations of the UPPI stakeholders into one regulation for Advanced Educational Leadership. A copy of the proposed regulation will be provided with the addendum materials.

Budget Impact: There is no budgetary impact.

Groups Consulted and Brief Summary of Responses:

**Action/Discussion Item:**

**Commissioner’s Recommendation:**
The Education Professional Standards Board should approve the new regulation 16 KAR 2:210.

**Rationale:**
The creation of this non-teaching certificate, will help address the critical shortage of Orientation and Mobility Specialist in Kentucky. These specialists provide instruction relating to safe and effective travel skills within the environments in school, home and the community settings, and are needed to serve the blind and visually impaired students in Kentucky.

**Action Question:**
Should the Education Professional Standards Board approve 16 KAR 2:210?

**Applicable Statute or Regulation:**
KRS 161.020, 161.028, 161.030

**History/Background:**

**Existing Policy:** At the April 9, 2018 meeting, the Board adopted the curricular standards of the Academy for Certification of Vision Rehabilitation and Education Professionals as the program standards for educator preparation programs for Orientation and Mobility Specialists. These standards identify the specific knowledge, skills, and behavioral attributes required to serve as an Orientation and Mobility Specialist.

**Summary:** At the August 20, 2018 meeting, the Board was presented with the first reading of 16 KAR 2:210. This new regulation would establish the provisional and professional certificates for orientation and mobility specialists and the requirements for obtaining and maintaining that certificate. The proposed regulation is now being brought before the Board for approval.

**Budget Impact:** There will be some cost associated with issuing this new certificate. However, the cost will be offset by the certification fees.

**Groups Consulted and Brief Summary of Responses:**
University of Kentucky
At the February 12, 2018 meeting, the Board heard information regarding the creation of an Other Instructional Services Certificate for Orientation and Mobility Specialists. The University of Kentucky submitted a request regarding the creation of this non-teaching certificate. The proposal indicated that districts were struggling or unable to meet service time on IEPs for blind and visually impaired students due to the critical shortage of Orientation and Mobility Specialists in Kentucky. It is believed that the creation of this certificate will help to alleviate that shortage.

Commissioner’s Recommendation:
The Education Professional Standards Board should approve the amendments to 16 KAR 9:040.

Rationale:
The proposed amendments are in line with other recent regulatory updates made by the Board, and will align 16 KAR 9:040 with other regulations.

Action Question:

Applicable Statute or Regulation:
KRS 160.380(5)(c), 161.020, 161.028, 161.030, 161.046, 161.048, 161.120, 16 KAR 9:040

History/Background:

Currently the regulation requires a minimum cumulative GPA of at least 2.5 on a 4.0 scale or a minimum GPA of at least 3.0 on a 4.0 scale on the last sixty hours of credit completed. The regulation also contains the requirement that initial applicants for certification submit a state and criminal background check, however, the Board previously waived this requirement.

Summary: At the August 20, 2018 meeting, the Board reviewed proposed amendments to 16 KAR 9:040 that update the GPA requirements to a minimum cumulative GPA of at least 2.75 on a 4.0 scale or a minimum GPA of at least 3.0 on a 4.0 scale on the last thirty hours of credit completed. The amendments also remove the requirement for an applicant for initial certification to submit a state and criminal background check. These amendments are in line with other recent regulatory updates made by the Board. The proposed, amended regulation is now being brought before the Board for approval.

STAFF NOTE

Action/Discussion Item:
16 KAR 2:100. Junior Reserve Officers Training Corps, Amendment

Commissioner’s Recommendation:
The Education Professional Standards Board should approve the amendments to 16 KAR 2:100.

Rationale:
The proposed amendments to 16 KAR 2:100, removes the certificate for a senior instructor of the Junior Guard because the program is no longer recognized by the National Guard. The amendments also reflect the Board’s action to waive background check requirements for applicants for initial certification, aligning 16 KAR 2:100 with other recent regulatory updates.

Action Question:
Should the Education Professional Standards Board approve amendments to 16 KAR 2:100?

Applicable Statute or Regulation:

History/Background:

Existing Policy: 16 KAR 2:100 establishes the Kentucky certification for instructor of the Junior Reserve Officers Training Corps. The current version of the regulation, creates a certificate for the senior instructor of the Junior Guard. The regulation also requires the completion of the New to Kentucky Teacher and Substitute Teacher Orientation Modules for renewal of the certificate for junior instructor of the Junior Reserve Officers Training Corps. 16 KAR 2:100 also contains the requirement that applicants for initial certification submit a background check, however, the Board previously waived that requirement.

Summary: At the August 20, 2018 meeting, the Board reviewed proposed amendments to 16 KAR 2:100 which eliminated the certificate for the senior instructor of the Junior Guard since the program is no longer recognized by the Kentucky National Guard. The amendments also remove the requirement for an applicant for initial certification to submit a state and criminal background check. Additionally, the amendment will no longer require completion of the New to Kentucky Teacher and Substitute Teacher Orientation Modules for renewal. The proposed, amended regulation is now being brought before the Board for approval.
**Budget Impact:** There is no budgetary impact.

**Groups Consulted and Brief Summary of Responses:**
Kentucky National Guard

The Junior Guard program previously existed as a pilot program under the Recruiting and Retention Federal funding umbrella. The program is no longer a Federally-funded program nor is it specifically sanctioned by Federal law or regulation. Therefore, the Kentucky National Guard is precluded from recognizing or endorsing the Junior Guard program as a program of the Kentucky National Guard.

Approval of Certification Applications

**Commissioner’s Recommendation:**
The Education Professional Standards Board should approve the revised Certification Applications.

**Rationale:**
These applications have been revised to reflect the change in certification fees and the removal of the background check requirement for initial certification. These are actions that were taken by the Board, and the applications have simply been updated to reflect those changes.

**Action Question:**
Should the Education Professional Standards Board approve the revised Certification Applications?

**Applicable Statute or Regulation:**
KRS 161.028, 16 KAR 2:010, 16 KAR 2:100, 16 KAR 4:040, 16 KAR 4:060, 16 KAR 9:040

**History/Background:**

**Existing Policy:** When an educator applies for an initial application, a renewal of a certificate, a rank change, or an additional area of certification, they have to complete a Certification Application. The last version of the applications approved by the Board contains outdated certification fees and a requirement that applicants for initial certification submit a background check.

**Summary:** Staff is bringing forwarded the revised CA-1, CA-2, CA-8 and CA-25 for approval by the Board. These applications have been updated to reflect the regulatory changes made by the Board. Specifically, the certification fees have been updated, and the background check requirement for initial applicants has been removed. The remainder of the Certification Applications will be brought before the Board at a future date.

**Budget Impact:** Though there will be some cost and staff time involved with posting and distributing the revised Certification Applications, this will be minimal.

16 KAR 9:080. Request to Waive Section 3(d)(1) of University-based Alternative Certification Program, University of Louisville

Action Question:
Should the Education Professional Standards Board waive the language in 16 KAR 9:080 pertaining to observation of teacher candidates in a university-based alternative certification program for the University of Louisville’s (UofL) Option 6 Teacher of Exceptional Children – Moderate and Severe Disabilities (MSD) Grades P-12 program?

Applicable Statute or Regulation:
KRS 161.028, 16 KAR 9:080

History/Background:
Existing Policy: 16 KAR 9:080 requires a minimum of 15 hours of annual observation utilizing university faculty and a district-based mentor of the candidate practicing instruction in the classroom. This portion of the regulation has been interpreted to require that the observer is present in the classroom while conducting an observation of the candidate. In December 2016, the EPSB granted a waiver to the University of Kentucky for a similar request.

Summary: UofL is requesting a waiver of Section 3(d)(1) of 16 KAR 9:080 to conduct a pilot program allowing the university supervisor to observe the candidate through the use of a video camera placed in the classroom and the use of Bluetooth for audio. As MSD is identified as a Critical Shortage Instructional Area across the state and districts throughout the state have difficulty recruiting and retaining certified MSD teachers, the university would like to respond to requests to serve potential MSD alternative certification candidates in areas of the state that are distant from Louisville. UofL believes that by expanding the reach of its Option 6 MSD program, it could help address this shortage. UofL has provided the Special Education Department $40,000 to purchase classroom cameras for observation and conferencing. UofL would like to pilot the remote observation process with 15 new alternative certification MSD teachers beginning in Spring 2019.

16 KAR 2:120. Request to Waive Emergency Certificate Requirements for Kristie Combs

Action Question:
Should the Education Professional Standards Board approve the district’s request that the requirements of 16 KAR 2:120 be waived for a second issuance of an emergency certification for Kristie Combs?

Applicable Statute or Regulation:
KRS 161.010, KRS 161.028, KRS 161.030, 16 KAR 2:120

History/Background:
Existing Policy: 16 KAR 2:120 only allows issuance of a subsequent emergency certification under two circumstances:
1. The emergency certificate was issued after February 15 of a school year; or
2. The emergency certificate was issued for less than fifty (50) percent of the person’s class schedule.

Summary: Perry County Schools has been unable to find a certified Moderate and Severe Disabilities teacher at Perry County High School. The district has posted the position for several months without any interest. The position has been posted using Applitrack and KEPS. The district has also contacted a local university in pursuit of finding qualified applicants. Ms. Combs was emergency certified in this area for the 2017-2018 school year, and is in the process of being admitted to an Option 6 program to pursue the full certification. At this time, she has not met admission requirements for the program.

16 KAR 2:120. Request to Waive Emergency Certificate Requirements for Justin Newby

Action Question:
Should the Education Professional Standards Board approve the district’s request that the requirements of 16 KAR 2:120 be waived for a second issuance of an emergency certification for Justin Newby?

Applicable Statute or Regulation:
KRS 161.010, KRS 161.028, KRS 161.030, 16 KAR 2:120

History/Background:
Existing Policy: 16 KAR 2:120 only allows issuance of a subsequent emergency certification under two circumstances:
   1. The emergency certificate was issued after February 15 of a school year; or
   2. The emergency certificate was issued for less than fifty (50) percent of the person’s class schedule.

Summary: Jefferson County Public Schools is still trying to fill multiple special education positions throughout the district, and it does not have a sufficient number of qualified applicants for the vacancies. Mr. Newby was issued an emergency certification for the 2017-2018 school year, and received high reviews from his supervising principal. The district has posted the positions on their website, KEPS, Indeed, LinkedIn, and K12JobSpot to attract eligible candidates. The district has also sent an email to all 27 in-state Educator Preparation Providers listing the vacant positions and seeking eligible candidates. Despite these efforts, the school has been unable to find a qualified applicant.

16 KAR 9:040. Request to Waive GPA Requirement for Adjunct Instructor Certification for Lara Vest

Action Question:
Should the Education Professional Standards Board approve the district’s request that the minimum GPA requirements of 16 KAR 9:040 (2)(b)(1) be waived for Lara Vest?

Applicable Statute or Regulation:
KRS 161.048; 16 KAR 9:040

History/Background:
Existing Policy: 16 KAR 9:040(2)(B)(1) requires a minimum 2.5 cumulative GPA on the Bachelor’s degree, or a 3.0 on the last 60 hours of course work completed. This is based on a 4.0 scale.

Summary: Morgan County Schools has a vacant position for a part-time adjunct instructor in the Jobs for Kentucky Graduates program. There were two applicants interviewed for the position, however the other applicant withdrew their name from consideration once they realized that the position was not a permanent position and only guaranteed for the 2018-2019 school year. The superintendent has requested a waiver of the GPA requirements on behalf of Ms. Vest because she is the best candidate for the Jobs for Kentucky Graduates position based on her record of experience. Although the adjunct certification route, Option 4, is one of the alternative certification routes in KRS 161.048, the statute does not define the GPA requirements for this route. The GPA requirements are only outlined in 16 KAR 9:040.

16 KAR 4:030. Request to Waive Out of State Certificate Requirement for Devon Horton

Action Question:
Should the Education Professional Standards Board approve the district’s request to waive the requirement for the applicant to possess an equivalent administrative certification in Illinois?

Applicable Statute or Regulation:
16 KAR 4:030

History/Background:
Existing Policy: 16 KAR 4:030(4)(1)(a) requires applicants for Kentucky administrative certification whose professional preparation was completed at an out-of-state educator preparation provider to possess an equivalent certification from the state where the applicant completed his or her preparation program.

Summary: Dr. Horton has completed all requirements of a doctoral program in educational leadership at Chicago State University. The program is CAEP and Illinois State Board of Education accredited and meets all requirements to receive Illinois superintendent certification. Dr. Horton has not yet received the full Illinois certificate, but he is an experienced certified administrator and has been working in a deputy superintendent role in East St. Louis Public Schools while enrolled in this program. His most recent leadership position did not require the Illinois superintendent certification. Dr. Horton was selected for the Chief of Schools position in Jefferson County Public Schools based on his experience with turnaround schools in large urban districts. Due to a delay in conferring Dr. Horton’s degree, he has been delayed in receiving full superintendent certification from the Illinois State Board of Education. Given that Dr. Horton has met all requirements for certification, the district is requesting that the EPSB grant this waiver and issue Dr. Horton superintendent certification.

16 KAR 3:010. Request to Allow Other Administrative Experience to Meet Requirements for Issuance of Superintendent Certification for Robert Meuret

Action Question:  
Should the Education Professional Standards Board approve the applicant’s request to allow previous “other” administrative experience to meet the requirements for issuance of the superintendent certification?

Applicable Statute or Regulation:  
16 KAR 3:010, 16 KAR 4:030

History/Background:

Existing Policy: 16 KAR 3:010(1)(c) requires applicants for superintendent certification to have two (2) or more years of certified administrator experience in a position of school principal, supervisor of instruction, guidance counselor, director of pupil personnel, director of special education, school business administrator, local district coordinator of vocational education, or a coordinator, administrator, or supervisor of district-wide services, prior to issuance of the superintendent certification. Other administrative experience may be substituted for this requirement with the approval of the Board.

Summary: Mr. Meuret completed an Educational Leadership Program in Arizona; however, he never applied for Arizona principal certification. He was employed with a charter school that did not require him to hold state certification for school principal. Mr. Meuret’s position was titled “Night School Leader” but his recommendation letters indicate that the duties were similar to that of a school principal. Mr. Meuret was admitted to the University of Kentucky’s superintendent certification program based on the Arizona experience, and has been recommended for superintendent certification.

16 KAR 8:020. Request to Allow Master’s of Rehabilitation Counseling to Count for a Rank Change for Linda Denison

Action Question:
Should the Education Professional Standards Board approve the applicant’s request to allow the previous Master’s Degree to meet the requirements for Rank II while she is enrolled in the MAT program for certification?

Applicable Statute or Regulation:
KRS 161.1211, 16 KAR 8:020

History/Background:

Existing Policy: The Division of Certification has allowed for previous Master’s degrees in a teaching content area to count for a rank advancement while an individual is going through an Option 6 program, if they are seeking certification in the same content.

Summary: Ms. Denison holds a Master’s Degree in Rehabilitation Counseling. This degree is not in a specific teaching content area. She states that the coursework completed in the Master’s Degree is directly related to the certification program that she is enrolled in now for Learning and Behavior Disorders. Ms. Denison worked with students with disabilities as they transitioned from high school to the next phase of their life. She is seeking rank advancement based on this previous degree to Rank II while she is enrolled in an approved Option 6 program. Completion of her current certification program would still be required to receive the full Professional certificate. Upon completion of the Master of Arts in Teaching, Ms. Denison would be eligible for Rank I if this request is approved.
